# LOYOLA UNIVERSITY

## CRIMINAL JUSTICE STUDENTS' ORGANIZATION

CJO provides opportunities for criminal justice and criminology majors to expand their education beyond the classroom. Each semester students visit various criminal justice agencies to get a first-hand look at how the police, courts, and corrections work. Recognizing our Jesuit heritage, the CJO has participated in various service-related projects in an effort to give back both to the Loyola community and those less fortunate in the Chicago area.

For additional information contact Professor Lombardo (Rlombard@luc.edu) or Jose Vallejo (Jvallej@luc.edu)
